What Else Should I Know?

Did you know that every €1 spent locally is worth €4 to our local economy? Help to keep our streets lively around Christmas Time and the rest of the year.

Enniscorthy Gift Vouchers come in denominations of €10 and €20 euros and you can purchase as many as you wish. Each voucher is numbered and embossed for security purposes. Vouchers are valid until spent.

Tax-free vouchers are a gratuitous way to reward your staff during the year or at Christmas. Provided certain guidelines are followed, neither your company nor your employees will pay PAYE, PRSI or USI potentially saving €653.65 in tax per employee.
